RE: Ellen Corbett for Congress

Dear Commission:

I write on behalf of my client Ellen Corbett and her authorized campaign committee, Corbett for Congress. Ms. Corbett has established a campaign committee and filed a Form 1 -- Statement of Organization and a Form 2 Statement of Candidacy. Although Ms. Corbett has completed the Form 1 and Form 2 and intends to run for the House of Representatives, she has not yet determined in which election cycle she will be a candidate. She has, therefore, filed an amended Form 2 which leaves the year of election blank. Additionally, contributions reported on Form 3s filed by Corbett for Congress will not contain a designation regarding the year of election before a decision is made by Ms. Corbett about what year she will seek election.

Ms. Corbett and Corbett for Congress will file an amended Form 2 and Form 3s once she has made a decision about the year in which she will seek election.

Very truly yours,
OLSON HAGEL & FISHBURN LLP
